

Active and Independent Living Programme

Susan Kelso AHP National Lead Early Intervention

Valuing Physical Activity and the Economic
Impact of Inactivity
Thursday 22 March 2018
Storytelling Centre, 43-45 High Street, Edinburgh EH1 1SR

Public Health Challenges

- Arising from lifestyle, social-cultural factors and our modern environment
- How do we increase public and service knowledge and awareness of where avoidable harm can be reduced?
- How do we prevent 'Lifestyle Drift'? (25% gain from direct health care; 50% from socioeconomic factors)
- AILP introduced as part of National Health and Social Care Delivery Plan to address these challenges including supporting people of all ages to be physically active.

Integrated health and social care – wellbeing is central principle

Better care

- Working with not 'doing to'
- People involved in and responsible for their health/wellbeing
- Freedom, dignity, choice and control

Better Health

- Anticipation, prevention self management not 'fixing'
- Mental AND physical health
- Cross sector working

Better value

- Integrated approaches
- More in the community
- Changes for diagnostic and elective services
- New models of care

NB: Self management is crucial as is social care and support for people with disabilities

Active and Independent Living Programme

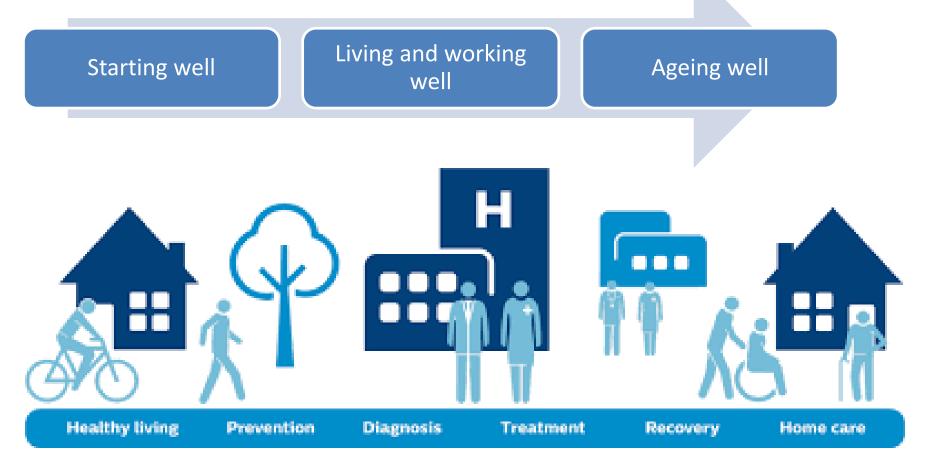

Wellbeing approaches across the life-course

Move and improve/Eat well/Make Every communication count

What matters to people? Identifying strengths, seeking resilience, shared decision making, collaborative working

Asset based Personal Outcomes approach

BEEN DONE

How do we find out where we currently are intervening?

- ✓ If we as AHPs are to achieve our AILIP vision and focus on <u>PREVENTION</u> then we have to know where we are currently intervening in their Health and Well Being Journey
- ✓ Given the policy direction on prevention, early intervention and self management there is still no clarity around how we will do this! Opportunity for Allied Health to lead the way!
- ✓ **National Survey on the Lifecurve** which will identify exactly where the AHP workforce is intervening on an individuals' health and well being journey.

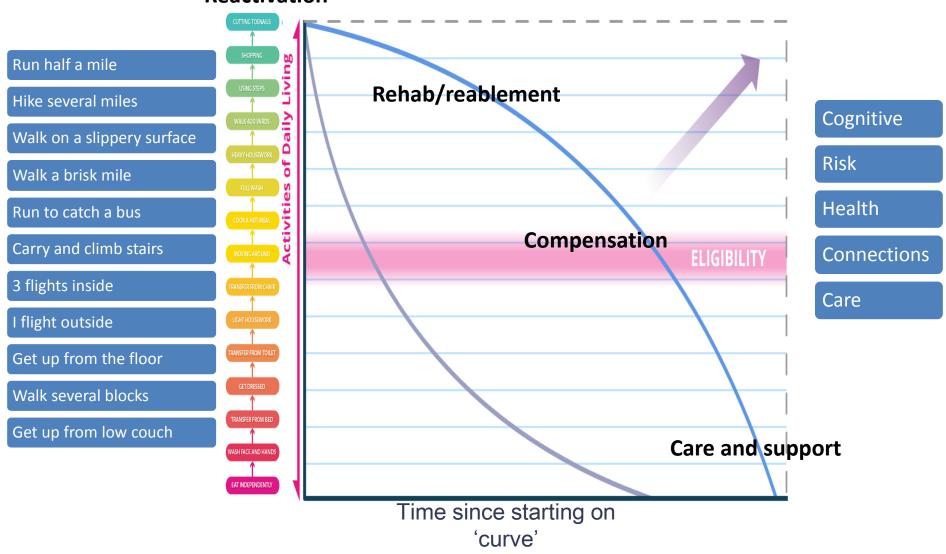

- ✓ All Boards and Partnerships
- ✓ All Adult AHPs working in Adult Services
- ✓ All Registered and Non-Registered Staff
- ✓ A representative sample of people who attend our services

 T'S NEVER

Prevention, anticipation, early intervention, self management – where? What does it look like?

Reactivation

| CAN do this | | Activity of Daily Living | CANNOT do this | How long since you were able to do this? | | | | |
|----------------|------|---|-------------------|--|---------------------|--|--|--|
| unaided | | Activity of Daity Living | unaided | Number of months? | Number of years: | | | |
| | | Heavy Housework (eg moving furniture to hoovering) | | | | | | |
| | | Using steps / stairs | | | | | | |
| | | Eat your food independently | | | | | | |
| | 1 | Get dressed | | | | | | |
| | | Wash your face and hands | | | | | | |
| | | Get on / off a toilet | | | | | | |
| | | Have a full wash | | | | | | |
| | Á | Walk 400 yards | | 4- | | | | |
| | 000 | Cook at hot meal | | | | | | |
| | | Get on / off a bed | * . | | | | | |
| | | Shopping | Y. | | | | | |
| | | Cut your toenails | | | | | | |
| | A | Get up / down from a chair | | | | | | |
| | 料料 | Light housework (eg ironing, dusting) | | | | | | |
| | 1010 | Moving around | | | | | | |

| NATIONAL LIFECURVE SURVEY: PART 1 |
|--|
| Where are you seeing the AHP member of staff today? Please tick only one option: Outpatient Outpatient Your Home |
| If you travelled to get here today, how did you get here? Please tick only one option: By Bus By Car By Ambulance N/A Walking Combination of travel methods |
| Who do you normally live with? Please tick only one option: With other people eg. Partner, family, friends In sheltered accommodation or a residential home (eg care home) |
| Do you have any communication support needs? E.g. hearing or low vision aid, interpreter, large print, easy read, communication aid. Yes No N/A |
| Are you in work or do you take part in other regular activity? Please tick which apply: Yes I work I am a volunteer N/A I help to look after other family members eg grandchildren/nieces/nephews |
| Is your home suitable for your needs? Please tick only one option: Yes I can manage all daily activities within my home I am beginning to struggle with managing daily activities within my home I cannot manage some daily activities within my home without help Are you a carer? Please tick only one option: Yes No Both – I care for someone and I have a carer |
| How would you describe your emotional wellbeing today? NB: 1 is very good and 5 is very bad Output Describe your emotional wellbeing today? 1 |
| Who arranged for you to see the member of AHP staff today? Please tick only one option: A member of health staff Myself, family member or friend I don't know/not sure A member of social work staff Other I don't know/not sure |

This is the end of the Survey: Thank you for taking part.

NATIONAL LIFECURVE SURVEY: PART2

Part 2: Office Use Only (to be completed by member of staff)

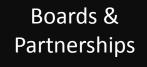

NB: Items marked * only complete if no access to CHI number

| Persons CHI number: | | | Date Survey Co | mpleted | (DD / MM /YY): | | | | |
|--|-----------------------------|-----------------|-------------------------------------|-------------------------|----------------|-----------------------|--|--|--|
| Date Of Birth* | | X | Postcode* | | | | | | |
| State your AHP profession: | | • | I am a Student | | Yes | No | | | |
| Band / Grade | | | I am a generic A support staff m | | Yes No | | | | |
| Are you registered with Yes No HCPC (tick which)? | | | State Service ty | pe - Refer to checklist | | | | | |
| Is this a first time or return visit (tick which)? | First Return | Return Visit | | | | | | | |
| Name of LA / Partnership | Area: | | Name of NHS E | Board: | Other: | | | | |
| What is the Main Purpose for visit? (tick which) | Treatm Rehabil Reable | litation | Assessment / Review | Diagnostic Test | Maintenance | Education / Advice | | | |

Thank you for completing the survey

| 80 | 14.7 |
| 90 | 13.9 |
| 100 | 7.8 |
| 110 | 1.3 |

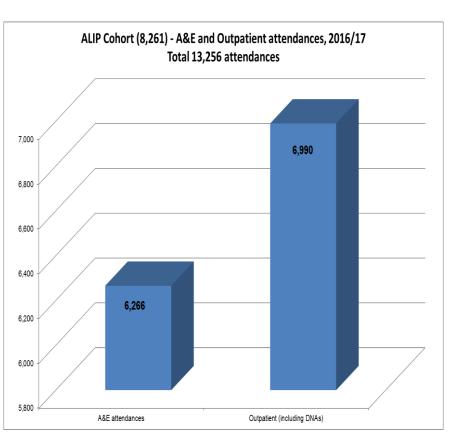

Bed Days and associated costs for approx 60% of total cohort

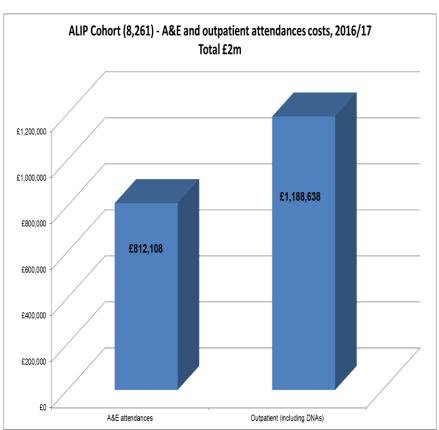

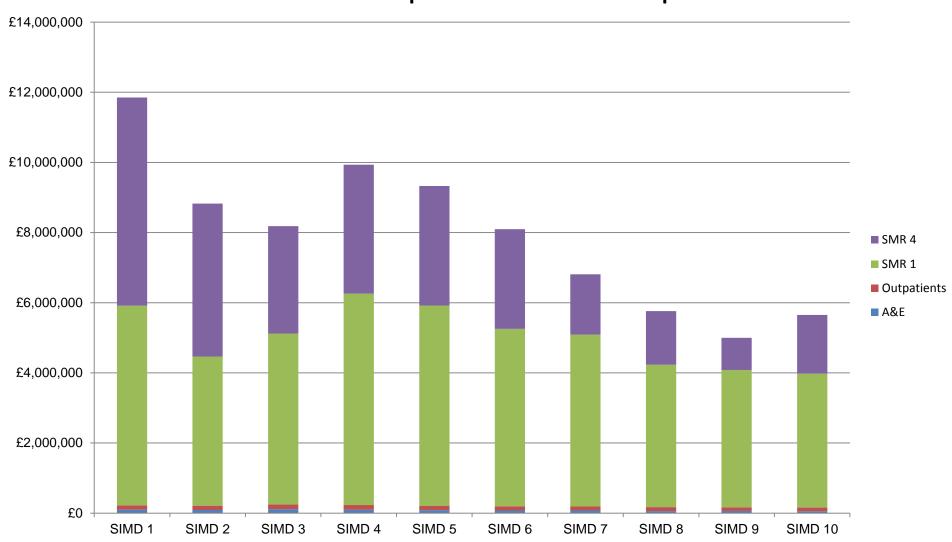

A+E / Out-patients attendances and associated costs for the 60%

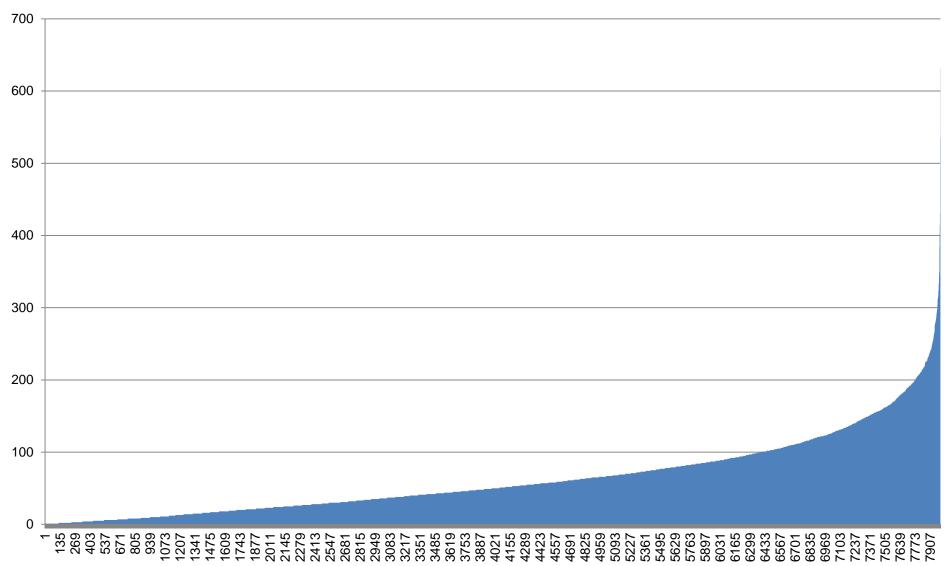

ALIP Cohort by SIMD - A&E, Outpatients, SMR 1 and SMR 4 costs Total £80.2m SIMD 1 = most deprived SIMD 10 = least deprived

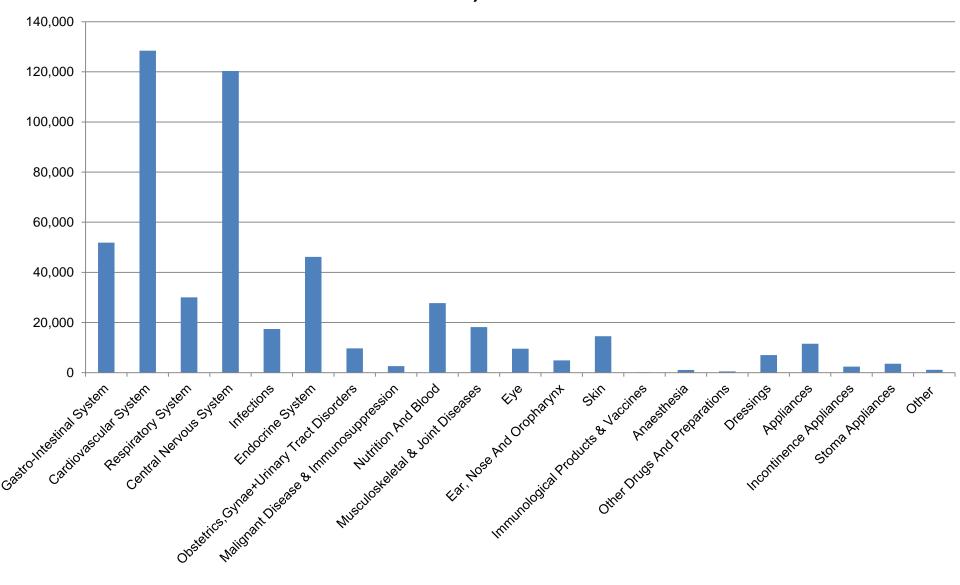

Number of items prescribed per person, 2016/17 Min 1 item, Max 632 items, Average 63 items

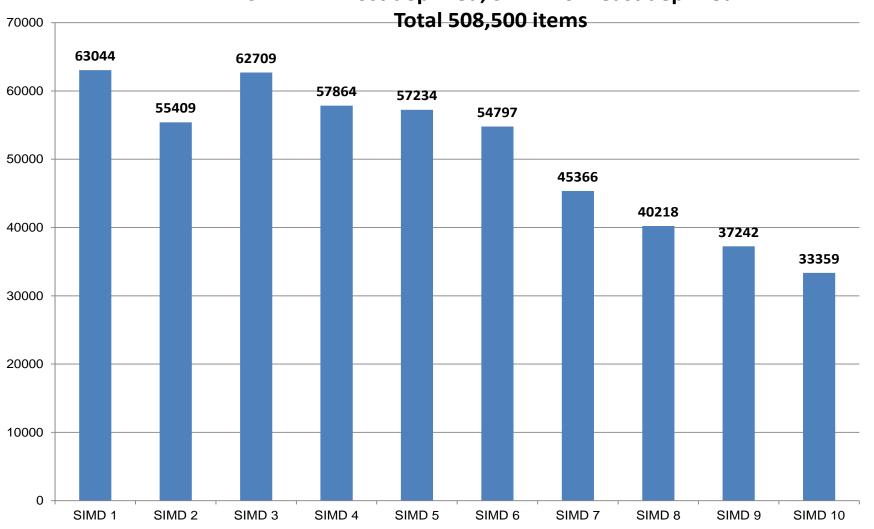

ALIP Cohort (8,261) - Prescribing number of items by drug category, 2016/17 Total 508,500 items

Prescribing number of items by SIMD decile, 2016/17 SIMD 1 - most deprived, SIMD 10 - least deprived

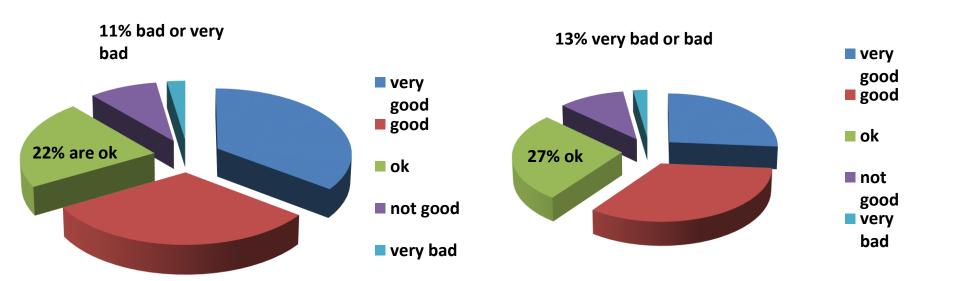

Emotional Wellbeing in one area

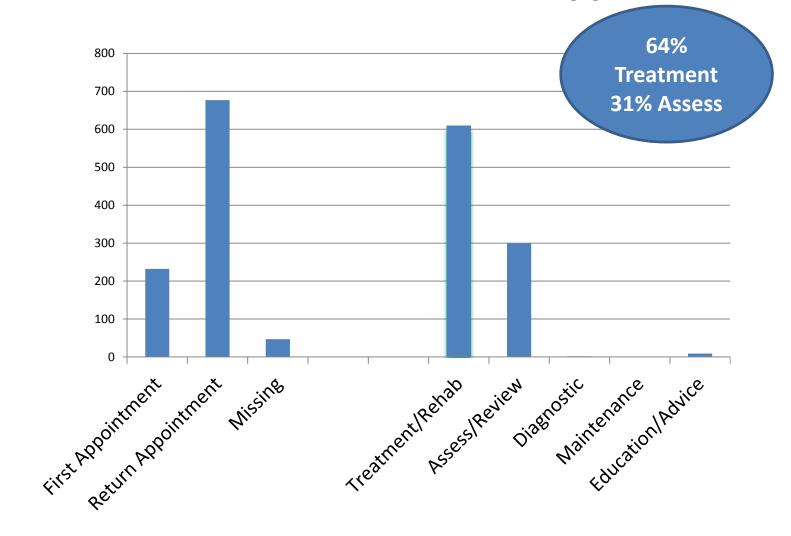

Acute/hospital based services

Community/rehab services

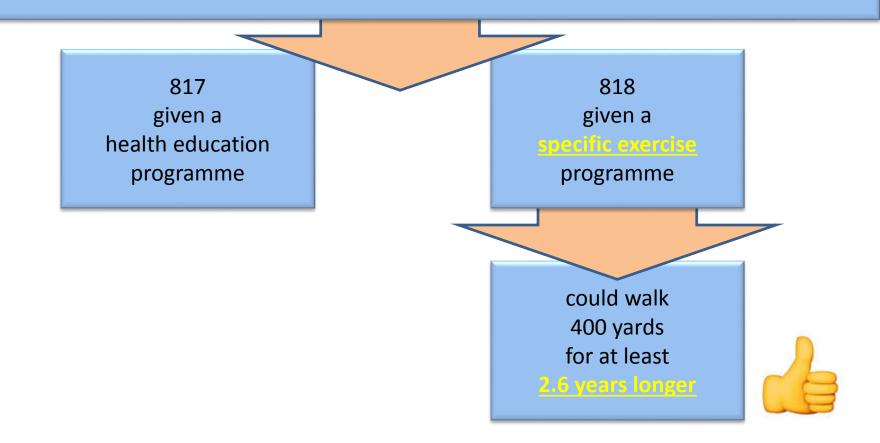

MSK Intervention Type

How do we engage with people around physical activity?

Effect of
Structured Physical Activity on Prevention of Major Mobility Disability in Older Adults
(The LIFE Study Randomized Clinical Trial)

Falls Programme

As we get older, our balance and muscle strength can

slowly decline without us noticing.

As a result, a trip or slip can become a FALL.

Active and Independent Living Prog

ACTIVE & INDEPENDENT
LIVING PROGRAMME

400 yards campaign

- Not being able to walk 400 yards a 'tipping point'
- 50% cannot walk 400 yards
 - 64% are struggling or needing help to live at home
- Link with partners across sectors
- Leisure/Sports clubs
- Glasgow Leading Attractions
- Link with #endpjparalysis
